

**Head down Mosser Road and you will see St. Peter at the Lake Center.** The plans are to have the first Mass on Memorial Day Weekend, May 23-24. We will be outside for sure, so let's all pray for sunshine! Special thanks to everyone for your support and dedication to this parish project.

**Our unique “baby bottle” effort to help support the *Mountain Top Crisis Pregnancy Center* continues through Father’s Day.** Long supported by St. Peter’s, as well as other churches, the Mountain Top CPC helps mothers and children in difficult circumstances, and helps make Garrett County a pro-life corner of the state.

The idea is to put a baby bottle on your dinner table, and toss in your loose change each day. Both adults and children can participate. Get a baby bottle this week. If you fill up a bottle, you are welcome to trade it in any weekend for a new empty one. By making a small sacrifice, your entire family will strengthen its appreciation of the gift of life.

Consider your Christian responsibility to yourself, your family and to God to be a wise steward of the blessings God has given you. How will your blessings be passed on to those you love and care for when you die? Planning now will help those that mean the most to you benefit forever. It's easy to include our parish in your will. This will provide income to the parish. **Call the parish office at 301-334-2202 to learn how simple and easy it is to include our parish in your will.**
